    class ifm3d_Device["ifm3d::Device"]
    class ifm3d_O3R["ifm3d::O3R"]
    ifm3d_O3R --|> ifm3d_Device
```

A UML class diagram illustrating inheritance. The top class is 'ifm3d::Device', represented by a white rectangle with a black border. The bottom class is 'ifm3d::O3R', represented by a gray rectangle with a black border. A solid blue arrow points from the bottom of the 'ifm3d::O3R' box to the bottom of the 'ifm3d::Device' box, indicating that 'ifm3d::O3R' inherits from 'ifm3d::Device'.
