

ifm3d::Device

```
classDiagram
    class ifm3d_O3R["ifm3d::O3R"]
    class ifm3d_Device["ifm3d::Device"]
    ifm3d_O3R --|> ifm3d_Device
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ifm3d::O3R'. A vertical blue arrow points upwards from this box to a white box labeled 'ifm3d::Device' at the top. This indicates that 'ifm3d::O3R' inherits from 'ifm3d::Device'.
