

ifm3d::Device

```
classDiagram
    class ifm3d::LegacyDevice
    class ifm3d::Device
    ifm3d::LegacyDevice --|> ifm3d::Device
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ifm3d::LegacyDevice'. A blue arrow points vertically upwards from this box to a white box labeled 'ifm3d::Device' at the top. This indicates that 'ifm3d::LegacyDevice' inherits from 'ifm3d::Device'.
